HYMN: "My Life Flows On " #619 V1,4
My life flows on in endless song, above earth's lamentation. I hear the clear, though far off hymn that hails a new creation. (refrain) No storm can shake my in-most calm while to that Rock I'm clinging. Since love is Lord of heav'n and earth, how can I keep from singing? 4The peace of God makes fresh my heart, a fountain ever springing. All things are mine since I am his! How can I keep from singing? (refrain)
